COLLABORATION BY DESIGN

A Career Opportunity For You!

Student Internships & Co-Op Opportunities

Atlanta Metro (Duluth, GA) - Charlotte Metro (Rock Hill, SC) - Lowcountry (Charleston, SC)

Founded in 1954, Keck + Wood, Inc. is a growing and dynamic employee-owned consulting firm with four offices in Georgia and South Carolina. Our 60+ employees serve Community Development, Transportation and Utility clients across the southeast by providing quality engineering, planning, landscape architecture, and land surveying.

Today, Keck & Wood offers great opportunities for individuals interested in Engineering, Landscape Architecture or Planning to join our team and make a difference.

Collaboration By Design is not just a tagline, its the foundation of how Keck + Wood serves clients, improves communities, and strengthens its employees.

Challenging and rewarding opportunities are here....*are you ready?*

Our interns & co-op's shadow experienced professionals in civil engineering, survey, landscape architecture, and office administration (accounting, marketing, etc.) to assist with advancing tasks by applying your growing education to real world projects. Assignments could be in any of our markets including, but not limited to: transportation design, natural gas, water/wastewater, or community development. Project tasks can include a wide range of duties including:

- Contribute on design tasks & prepare documents using CAD, GIS and PDF software
- Develop and share data, perform research assignments, capture meeting notes
- Work on field crews to gather information in various locations and environments
- Learn to collaborate with team members in a professional office environment
- Take part in the Keck & Wood culture - attend professional and team building events

Our goal is to make you successful in work...and in life!

Keck & Wood provides a culture for you to thrive, instead of just collecting a paycheck. From team outings to company events, we provide opportunities for you to connect with others in the company on both a professional and personal level. Our flex schedule attitude helps you achieve a suitable work-life balance to grow your career, without having to give up your life to do it.

A Career Opportunity For You!

The right skills....*for your success!*

We're looking for candidates with the following qualifications:

- Enrolled in a civil engineering, landscape architecture, planning, or business related college program from an accredited college or university.
- Enrolled in a High-School STEM or STEAM related program as a senior
- Responsible, ability to take directions and complete tasks or projects
- Experience with MS Office or Google Docs, or similar programs
- Strong written & verbal communication skills; ability to thrive on a team
- Ability to embody our brand by treating clients and employees with courtesy and respect

Work is primarily performed in an office environment with occasional travel to project sites for construction review and contract administration. Fieldwork involves exposure to weather, traffic, and loud noise and requires extensive walking over uneven surfaces and various terrains.

Looking to build your career...*talk to us!*
